pledge the amount of (please circle)£100 £50 £25 £10 £5 or other amount

to the St Johns Village Society. I agree that the society can chase me for the money I've promised to donate!

I am a UK tax payer and agree that a gift aid donation can be included with this donation tick the box!

Gift aid costs you nothing but it means that the Village Society can claim a percentage of your donation back from the treasury to help our cause!

The money you pledge will be used for submitting the alternative hall solution to the planning department of Woking Borough Council. If our target figure is met prior to your pledge being fulfilled, the monies will be used by the Village Society to cover any forthcoming fees related to the project.

Thank you!!
